MUMFORD SAILS FOR U. S.

University Dean Represented This Country Among French Educators. Dean F. B. Mumford has embarked at Bordeaux, France, for the United States, according to word received at the College of Agriculture today.

Dean Mumford, who was formerly state food administrator and chairman of the Council of Defense, was one of ten educators of America chosen to study educational conditions in France and to bring about better relations between the two republics. He was the representative of American agriculture. Experts in languages, medicine, engineering and mining also made the tour of France.

Dean Mumford will probably spend the month of August on a vacation with his mother and family at Alden, Mich. He will return to Columbia September 1 to resume his duties at the College of Agriculture here.

SCHOOL REPORT READY

6,398 Attended Schools in County—\$94,000 Paid in Salaries.

The annual report of the public schools in Boone County was given out by C. E. Northcutt, county superintendent today.

This report covers the school year beginning July 1, 1918, and ending June 30, 1919, and in part is as follows:

The number of persons between the ages of 6 and 20 who are of school age in the county is 7,305, divided as follows: white male 3,368, female 3,130, negro male 382, female 425.

The number of pupils attending school were as follows: white male 2,985, female 2,696; negro male 411, female 396. Total 6,398.

This shows that of the 7,305 who are eligible to attend school 6,398 are taking advantage of the opportunity.

The number of school districts in the County is 97. The average length of the school term last year was between 6 and 8 months.

The number graduated last year from the grade schools was 239. The year before that 263 were graduated.

The decrease in number this year was probably due to the influenza epidemic said Mr. Northcutt.

The enrollment in the high schools was 830, and the number graduated was 117.

The number of teachers in the county last year 202, and the number of schoolhouses was 121.

The amount paid in salaries last year was \$94,000.

The above report will be sent by Mr. Northcutt to Samuel Baker, state superintendent of public schools.

A THIRD PARTY POSSIBLE

Senators Reed and McCormick to Speak in St. Louis.

By United Press. ST. LOUIS, July 28.—The Peace Treaty in its present form is a guarantee of America's participation in the next war, Senator McCormick of Illinois said here today.

McCormick and Reed of Missouri will give anti-League addresses here tonight.

"This is an imperialistic creed perpetrating violence and injustice toward nationalism," Reed said.

"The League of Nations will write the death warrant for any party which will make its passage an issue," he said, and if the League were made an issue when party conventions are held, it will throw the balance to the other party.

Reed intimated that a third party might result in a case like that.

"The standing army now in the United States will be used to compel China to accept the treaty," Reed declared. "The United States will be compelled to do so by Article 10 to defend Japan against China."

Dr. John H. Simon, party leader of St. Louis Democrats, will be a speaker at the mass meeting.

Large reservations for seats have been made by numerous Missouri delegations, according to those in charge of the meeting. One of the largest political crowds in years is anticipated.

Senator Reed, who has been traveling throughout the country making speeches against the League of Nations at the request of the League to Preserve American Independence, arrived in St. Louis yesterday.

What Is the Bible College in Relation to University Life?

There is a mutual interchange of credits between the two institutions. The Bible College is in the midst of the group of University buildings.

Surely there was never a time in which the call for religious leadership was more urgent. Knowledge of the Bible helps one to be a Sunday School teacher, a leader in the Young People's Societies, a leader IN EVERY ENTERPRISE FOR CIVIC BETTERMENT. Are you satisfied with your part in today's world?

Training for Christian Citizenship is offered by the Bible College of Missouri in its nine courses that are credited toward University of Missouri degrees.

Study of the Bible in these courses opens a rich field of literature and affords a knowledge of Hebrew History, of Christian Ethics and of Christianity in comparison with other World Religions.

Bible College terms run concurrently with those of the University. The year is divided into three terms (trimesters). The Fall Term begins August 29 and ends December 20. The Winter Term runs from December 30 to April 20. The Spring and Summer Term (April 24 to August 14) is broken into halves of eight weeks each to accommodate teachers and others who cannot find time for a full term.
